

ENHANCED ACCESS APPOINTMENTS

What is Enhanced Access?

The Enhanced Access Hours Service makes it easier for you to get an appointment at a time that suits you including evenings and weekends. The service offers pre-bookable, routine primary care appointments with a range of clinicians including GPs, nurses and health care assistants.

How do I book an appointment?

Contact your GP practice in the usual way to request an appointment. Some appointments will be available to book up to 2 weeks in advance and some will be available to book on the day. If you need to cancel an appointment, please contact your usual GP practice Monday to Friday 8.00am - 6.30pm.

Who will I be seen by?

Your appointment will be with an experienced clinician. It is unlikely that you will be seen by your own GP or nurse. If you would prefer to see your usual GP or practice nurse, please book an appointment with your registered practice during their normal opening hours.

Will the clinician I see have access to my medical record during my appointment?

Your medical record will, with your consent, be available to the clinician that sees you. Your record will be updated at the time of your appointment. An appointment with this service will be just like an appointment at your own GP practice.

Who can access these appointments?

Anyone registered at:

Audlem Medical Centre, Kiltarn Medical Centre, Nantwich Health Centre, Tudor Surgery & Wrenbury Medical Centre

Nantwich and Rural
Care Community
Nantwich and Rural PCN

NHS
Cheshire and Merseyside

We're here for
you evenings
and weekends
